General Information

Durable medical equipment (DME) including supplies, equipment, prosthetics, orthotics, and braces, may be reimbursable if related to the work injury. Workforce Safety & Insurance (WSI) requires a prescription or order for DME by the treating provider.

 Reimbursement is per the <u>WSI Fee Schedule</u> and does not directly pay the injured employee.

Billing Information

When submitting a bill for DME a provider must:

- Bill with the appropriate HCPC code
- Bill each charge separately and not bundle the charges
- Submit a description for miscellaneous DME code, if appropriately billing the miscellaneous code

The use of a miscellaneous code is appropriate as indicated below:

- If no specific listed code is available for equipment that is new or unique
- If equipment is customized or substantially modified to meet the specific needs of the injured employee
- For labor charges related to the service(s)

Prior Authorization

WSI reviews prior authorization requests for DME only on accepted claims. To verify the status of a claim, visit the website Claim LookUp, located on the website under Quick Links.

All DME over \$500 requires prior authorization. DME Listed on pages 2-3 of this guide are additional DME items requiring prior authorization even though they may be under the \$500 threshold.

Rental Equipment

All DME rental items extending beyond 60 days require prior authorization. Total rental payments for DME covered by WSI **may not exceed** the purchase price.

Submitting a Prior Authorization Request for DME

- Review this guide to determine if prior authorization is required
- Call WSI claims adjuster at 701-328-3800 or 800-777-5033

Submitting a Prior Authorization for Electro Medical Device

- Complete the <u>Electro Medical Device Certification Request (M5) form</u>
- Fax M5 form and prescription or order to 701-328-3820 or 888-786-8695

Prior Authorization Not Required - Unless over \$500	
The following are items WSI will cover if related to the work injury; however, this is not an all-inclusive list.	
Cam Boot	Physioball
Cane/crutches	Postural restoration 4-6in ball (PRI ball)
Cervical collar	Prosthetic sleeves
Cervical pillow	Rib belt
Compression garments/TED hose	Shower bench/Chair
Darco Shoe	Splint/brace
Hand gripper	Toilet riser/Commode
Knee sleeves	Taping supplies
Lumbar/SI belt	Theraband
Miracle Ball	Theracane
Occipivot	Theraputty
Off-the-shelf shoe inserts/wedges	Yoga Blocks
Over-the-door pulley system (post-shoulder surgery)	

Packaged Services – Not separately reimbursed		
Intermittent compression socks (post-surgical)	Surgical trays	
Pneumatic compression devices		

Durable Medical Equipment – Non-covered	
Compression devices for intermittent compression with various wraps for arms or legs e.g . VascuTherm or any hot or cold compression device (purchase or rental)	Hot or cold packs
Continuous-flow cryotherapy unit e.g Game-ready unit or any water/ice circulation unit	H-Wave electrical stimulation units
Electric heating pad	Instrument Assisted Soft Tissue Mobilization Tools
Home gym exercise equipment e.g. weights, weight machine; exercise ball	Wave Accelerated Recovery Performance (ARP) e.g. patented Bio-Electric Waveform Therapy
	Yoga Mats
