

SLOW DOWN. STAY ALERT. WORK ZONE AHEAD.

Work zones change fast. One moment of distraction can change everything.

WHEN YOU'RE DRIVING

- Slow down and follow posted speed limits
- Keep a safe following distance
- Watch for workers and moving equipment
- Merge early and avoid sudden lane changes
- Stay focused and eliminate distractions

WHEN YOU'RE WORKING

- Stay in designated work areas
- Make eye contact with equipment operators
- Wear high-visibility gear at all times
- Never assume drivers see you

Work zone safety protects more than workers. It protects everyone on the road. Stay alert. Stay focused. **Get Home Safe.**
