

Pallet Jacks

1. Read and understand the Operator's Manual
2. Workers will be properly and thoroughly trained before attempting to do any work with or on any pallet jack.
3. Do not place your hands or feet under the pallet truck at any time.
4. Do not operate loaded pallet truck on ramps or inclines.
5. Do not tip loaded pallet truck forks. This may cause damage to the forks and personal injury if the rear of the pallet truck suddenly "pops up".
6. Never leave a loaded pallet truck unattended in the raised position. Always lower load to the floor.
7. Do not load pallet truck beyond its rated capacity.
8. Secure load before transporting.
9. To prevent accidental tipping, make sure load is centered on the forks.
10. Do not move a loaded pallet truck by other than manual force.
11. Always wear appropriate safety shoes.
