

SAFETY – A TEAM EFFORT.

You spend about a third of your life at work — make sure it's a safe place.
By looking out for each other, we can ensure everyone gets home safe and sound.

Building a Safer Workplace Together

A safer workplace means a happier life both at work and at home. Stay safe, stay sharp, and keep these things in mind:

- ▲ **Know the Process:** Be informed about how to report potential dangers, accidents, and injuries.
- ▲ **Speak Up:** If you see something unsafe, say something immediately.
- ▲ **Prevent and Protect:** Follow safety policies to create a proactive safety culture and reduce injuries.
- ▲ **Get Involved:** Serve on a safety committee and participate in safety training.

Together, we can make our workplace a happier, safer place for everyone when we know the process, speak up, and act on it.

You deserve a safe work environment.
