

WORK SAFE. HOME SAFE.

Safety—Do it for you.

Part of the reason we work is to fuel our personal passions outside of work—things like time with family and pursuing our hobbies. Ensuring a safe work environment helps us all get home to enjoy those precious moments.

So, how do we make safety a priority?

- **Stay Aware:** Pay attention and look out for anything unsafe.
- **Work Safely:** Follow safety policies and procedures.
- **Engage in the Safety Process:** Participate in training and speak up about unsafe conditions.
