

# NEW WORKERS FACE A 30% HIGHER RISK OF INJURY ON THE JOB.

*U.S. Bureau of Labor Statistics*

## How to help new employees with a successful first year:

- ▲ Attend Orientation and Training
- ▲ Be a Mentor or Request One
- ▲ Check In With Your Colleagues Whether They're New or Experienced
- ▲ Encourage a Safety First Culture
- ▲ Follow Safety Procedures

Start building a safer workplace today – protect your new employees and set them up for long-term success.
