

# 3 VITAL STEPS FOR SAFER WINTER COMMUTES

## 1 REDUCE YOUR SPEED

Leave your lead foot at home and slow down for winter conditions. Speeding is a factor in over 40% of fatal crashes on icy or snowy roads.

## 2 MAINTAIN YOUR VEHICLE

Keep tires and batteries in good shape for better handling.

## 3 CHECK THE DRIVING CONDITIONS

Monitor weather reports and be ready to wait out dangerous weather if needed. Stock vehicles with emergency supplies.
