

# WORK SAFE. HOME SAFE.

A safe workplace empowers your weekend adventures.

Get Home Safe North Dakota is a movement across the state to keep workplace safety top of mind — so you can enjoy the things you love.

Together, let's create the gold standard for safety in your organization — and throughout North Dakota!

Access resources  
and information:

**80%**

of employees are more likely  
to stay on the job when their  
well-being is taken care of.
