

WORK SAFE. HOME SAFE.

A safe workplace empowers your weekend adventures.

Get Home Safe North Dakota is a movement across the state to keep workplace safety top of mind — so you can enjoy the things you love.

Together, let's create the gold standard for safety in your organization — and throughout North Dakota!

"We must [make sure] everyone gets home safe, every day, the way it should be."

— Lt. Gov Tammy Miller

80%

of employees are more likely to stay on the job when their well-being is taken care of.
