2021 LMS Courses

Course Course ID	Course Title	Course Description
2021-PAN01_SHARE_LSC	2021 - Safe Return to the Workspace: Sharing Workspaces	As we return to shared workspaces, we must all look out for and protect each other. This course specifically looks at practicing safe hygiene and using universal precautions like avoiding commonly touched surfaces and washing hands frequently and properly, limiting travel, avoiding close contact, and being an advocate for health and safety.
2021-PAN01_TELE_LSC	2021 - Safe Workspaces: Telecommuting	Some employees might not return to the workspace after an environmental disaster, catastrophic event or pandemic, such as the COVID-19 pandemic. If you continue working from home, you may need to adjust your workspace setup, communications software, security measures and daily routine. You'll also need to learn the best ways to connect and collaborate with your work team while reducing distractions. This course is ideal for all employees.
