2022 LMS Courses

Course Course ID	Course Title	Course Description
2022 - PS5-01363	2022 - Office Safety	Although accidents involving office personnel generally occur less frequently than mishaps to industrial workers, they do still occur and can result in serious injuries and even death. Everyone is responsible for office safety. You must understand what you can do to stay safe on the job, and you need to be aware of how to correct unsafe conditions. This course provides the information you need to work safer in your office environment. Ideal learners are all office workers.
2022 - PS5-102018	2022 - Stacking and Storage Practices for Construction	You can avoid materials handling accidents such as cuts, back injuries, crushed hands and even death by using general safety principles like the ones you will learn about in this course.
