2020 LMS Courses

Course ID	Course Title	Course Description
2020-PS5-20010	2020 - First Aid - Module 11 - Cold and Heat Emergencies	Cold and heat are conditions we all encounter at some point. Take this module to learn how to prevent cold- and heat-related injuries and illnesses. You will also learn how to recognize symptoms of these emergencies and treat victims. Ideal learners are employees who have already taken in-depth first aid training.
2020-PS5-01361	2020 - Hazards of Speeding - Light Commercial Vehicles	Chances are you have been instructed on the dangers of speeding at some point; and as the operator of a light commercial vehicle, you carry the responsibility of protecting not only the assets of your company, but also the lives of others as well as your own. In this course, we will examine the hazards of speeding. We will also explore reasons why speeding just doesn't make good sense, even when you are rushing to meet a deadline.
