2021 LMS Courses

Course Course ID	Course Title	Course Description
2021-PS5-00177	2021 - Distracted Driving	When you are driving, taking your eyes and mind off the road for even a few seconds can result in an accident. By failing to give full attention to the road, distracted drivers put themselves, their passengers and everyone else on the road at risk. This course presents strategies drivers can use to remain focused on the road. It is ideal for all drivers.
2021-PS5-00179	2021 - Struck By, Caught Between - Staying Out of the Line of Fire	According to OSHA, two of the most frequently severe types of construction incidents are being either struck by or caught in or between materials and equipment. This course focuses on the steps workers can take to stay out of the line of fire and avoid being struck by or caught in or between hazards at work, including hazard awareness, prevention and control, with an emphasis on taking personal responsibility for safety. Ideal learners are construction workers.
