## 2020 LMS Courses

Course ID	Course Title	Course Description
2020-PS5-100757	2020 - Safety Signs	You can tell a great deal about the hazardous conditions in a work area by looking at the safety signs that are posted there. Take this course to find out why we have safety signs, what they mean and what you need to know about them. This course is ideal for all workers who visit or perform work at factories, construction jobsites or healthcare facilities.
2020-PS5-01367	2020 - Preventing Cuts and Puncture Wounds	When someone gets a cut or suffers a puncture wound, precautions should be taken to prevent infection in order to help prevent serious or even life-threatening injuries. This course provides guidance on using machinery, knives and other sharp objects in a safe manner as well as treating cuts and puncture wounds. Ideal learners are all employees.
2020-PS5-01468	2020 - Infection Control - Handwashing	This course provides learners with basic information about handwashing as it relates to infection control principles. This course is intended for all healthcare workers.
